

COMPANY PROFILE

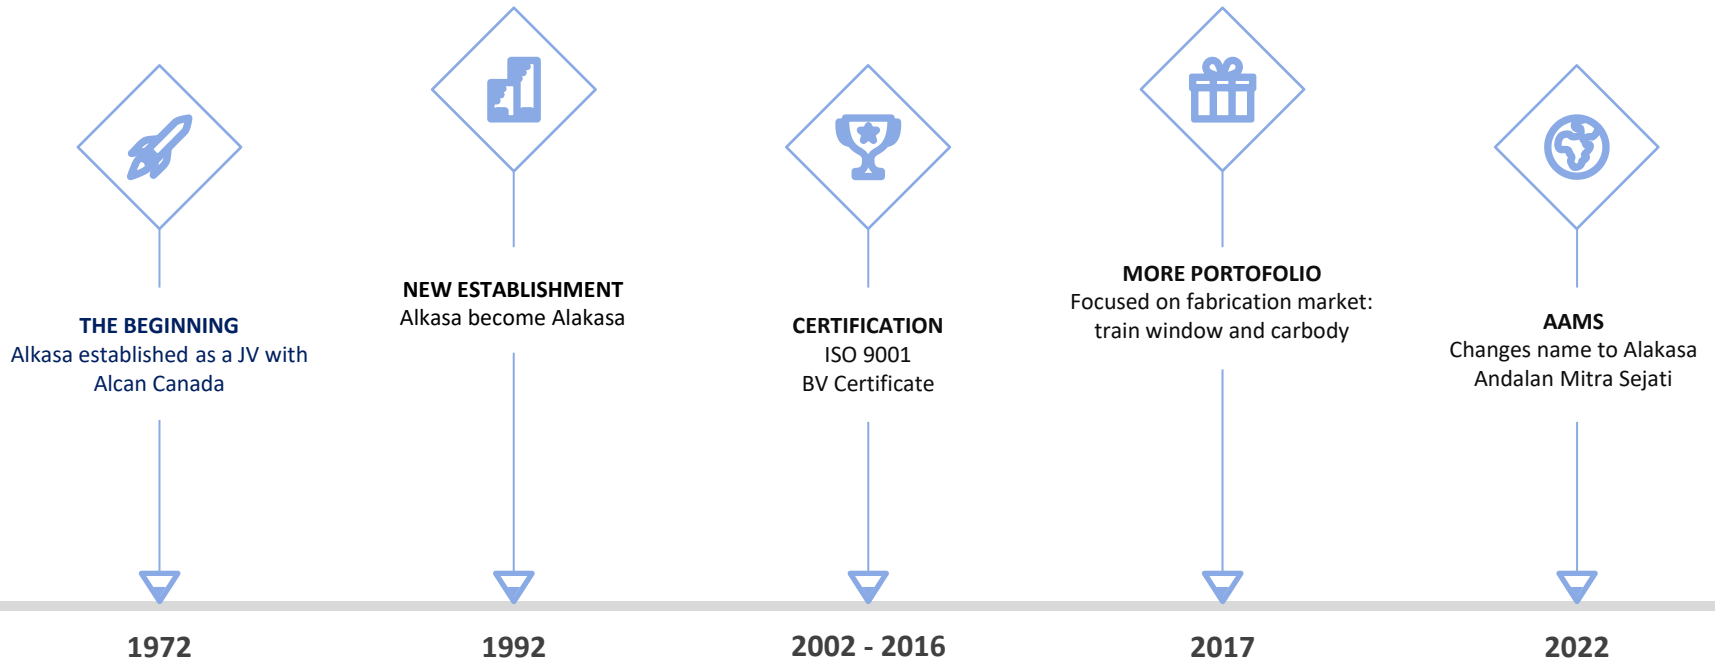

Aluminium & Metal Fabricator

ABOUT US

Founded in 1972, as a part of GESIT Group, PT Alakasa Andalan Mitra Sejati (AAMS) is a leading fabricator of Aluminum in Indonesia. Having built its fundamentals with ALCAN (Aluminium Canada) 50 years ago, Alakasa is continually transforming to earn the trust and confidence of every customer it serves. Alakasa focus on producing what the market needs, prioritizing to stay ahead of the quality of our products and bring the value of earning trust from our customers.

OUR HISTORY

OUR VISION

To be a technologically sound & operationally profesional aluminium company recognized widely as a first-choice in aluminium fabrication.

OUR MISSION

To be the most profesional, most trusted and most favoured one-stop Aluminium solution provider serving in fabrication including all parts of the components.
